

CONSTRUCTION CONTRACTORS

SFMTA BusinessWorks is hosting a FREE seminar series designed to assist small local contractors interested in bidding on SFMTA projects, including the Central Subway Project.

Seminars include:

- **Working with MTA** – learn about the agencies contracts, policies, and procedures
- **Bonding, & Insurance** – gain valuable information to assist in securing bonds & financing
- **Estimating & Bidding** – learn tips and techniques for more accurate estimating
- **Contract & Project Management** – enhance your ability to manage your contracts and mobilize your projects
- **Business Operations**- gain expert advice as to how small businesses can operate more effectively
- **Financial Management**-gather key tips to ensure you are able to make money on your contracts and grow your business

🚧 Are you a small local contractor?
