

**Alameda County
Contractor Bonding Assistance Program**

Administered by Merriwether & Williams Insurance Services

BONDING ASSISTANCE PROGRAM

The bonding assistance program was implemented by Alameda County to assist small local contractors in obtaining and/or increasing their bonding capacity for work on Alameda County contracts. The program is sponsored by the County Administrator's Office Risk Management Unit and administered by Merriwether & Williams Insurance Services.

SERVICES

The Contractor Bonding Assistance Program (CBAP) is designed to help small local contractors obtain bid, payment and performance bonds. Guarantees up to 40% of the bond amount or \$750,000, whichever is less will be available to qualified contractors. This is done by providing one-on-one consultation with the contractor and technical assistance including contractor-focused group workshops and seminars.

CBAP assembles a team of professionals to assist small local contractors in preparing for the bonding process and to help them grow their businesses. CBAP will also work with Contractors to help them improve their existing relationships with surety providers if they have them.
